Art Unit: 1626

DETAILED ACTION

Claim 16 has been cancelled and claims 18-25 have been added. Therefore, claims 1-15 and 17-25 are currently pending in this application.

Previous Claim Rejections

Claims 1-5, 9 and 10 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claim 1 of U.S. Patent No. 6,391,907 B1 or U.S. Patent No. 6,608,068 B2 both to Fensome et al.. The Amendment filed on13 December 2006 and overcome the double patenting rejection and therefore, the previous rejection is withdrawn.

Reasons for Allowance

Claims 1-15 and 17-25 are allowable over the closest prior art of U.S. Patent No. 6,391,907 B1.

Instant elected claims disclose compounds and compositions of compound of the

formula depicted in claim 1,

as defined in claim 1.

U.S. Patent No. 6,391,907 B1 teach in claim 1 and 10, compounds of formula

wherein R1 and R2 together could form a ring. The claims as currently amended have a limitation wherein R5 and R5' represent substituted alkyl, akenyl or

Art Unit: 1626

alkynes group. There is no suggestion or teaching that render the products as currently claimed obvious.

Since the core was found allowable the full scope of the claims are allowed and the previous objection to the claims is withdrawn. The method of use claims has been rejoined with the allowed product.

Telephone Inquiry

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamal A Saeed, Ph.D. phone number is (571) 272-0705. The examiner can normally be reached on M-T 7:00 AM- 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Joseph K. McKane, can be reached at (571) 272-0699.

Communication via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signiture, may be used by applicant and should be addressed to [joseph.mckane@uspto.gov]. All Internet e-mail communications will be made of record in the application file. PTO employees will not communicate with applicant via Internet e-mail where sensitive data will be exchanged or where there exists a possibility that sensitive data could be identified unless there is of record an express waiver of the confidentiality requirements under 35 U.S.C. 122 by the applicant. See the Interim Internet Usage Policy published by the Patent and Trademark Office Official Gazette on February 25, 1997 at 1195 OG 89.
